

# DUROSHIELD FACE SHIELD

DuroShield is a self-contained face shield produced from 10 mil clear PET plastic. It is designed to wrap completely around the face covering the eyes, mouth and nose. The adjustable head strap has a self-locking mechanism and can accommodate any head size and can be worn with or without glasses and masks. The plastic shield can be sanitized and reused easily.

### Benefits:

- Face remains clear and visible
- Designed for long-lasting comfort and ease of breathing
- Maintains clean appearance
- Easily sanitized on shift or between shifts
- Options to add a full color printed logo at the top

**Pricing: on request**
